#FACT

9/10 millennials believe
that a company's
success should be
measured by more than
just their net profit

“ A lot of us for instance are very
good at our jobs but absolutely
hopeless at job interviews ”

Did you know?

The Autoped and Motoped, launched in 1915, are considered the ancestors of the modern motor scooter.

Women In Motion

Lady Florence Norman, a suffragette, rode her Autoped to work in central London, and Amelia Earhart, a famous aviatrix, often rode her Autoped around California.

A horizontal rectangular image showing a collection of objects on a light-colored, textured surface: a spiral-bound notebook, a black pen, a small potted plant, a pair of glasses, a geometric wire sculpture, and a black smart device (The Pace) with its two earbuds. Text is overlaid on the right side of the image, and a button is at the bottom.

The Pace works with
your smart devices for
endless music and
connectivity!

Stress tip #446

GUARD YOUR ENERGY IMPECCABLY. DON'T WASTE IT ON COMPLAINERS AND WHINERS, ON BAD NEWS, UPSETTING SOCIAL, OR NEGATIVE PEOPLE. YOU CREATE WHAT YOU FOCUS ON. FOCUS ON THE GOOD.

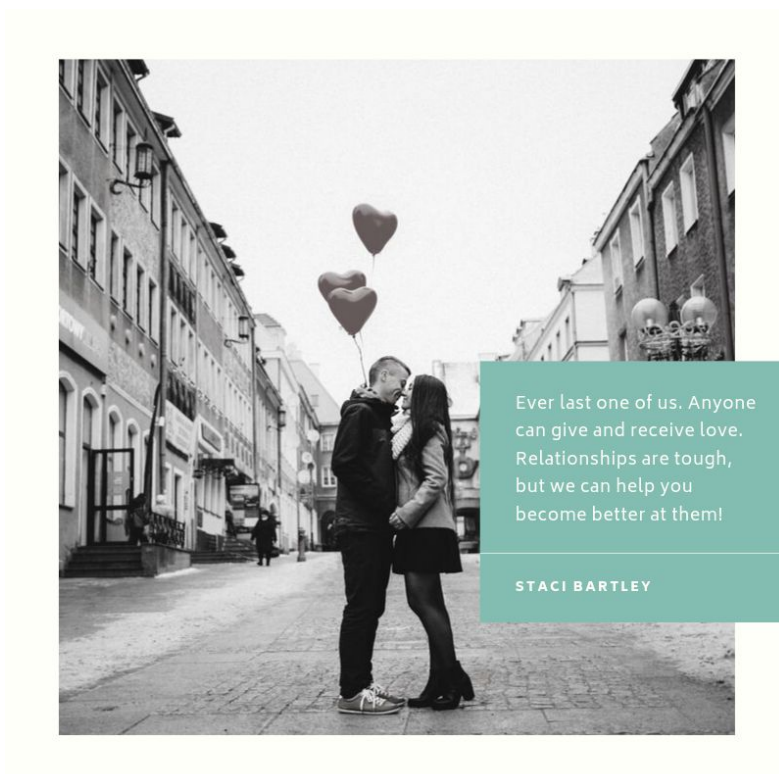

SNOWDEN MCFALL

Some motivational speeches get you pumped up one day but leave you deflated the next. That's the opposite of what you get with Fired Up! keynote speaking.
